

# Conflict Incident Monthly Tracker

## Bayelsa State: February-March 2018

### Background

This monthly tracker is designed to update Peace Agents on patterns of conflict risk and violence, as identified by the Integrated Peace and Development Unit (IPDU) early warning system, and to seek feedback for response to mitigate areas of conflict.

### Patterns and Trends

#### Dec 2017-Feb 2018

According to Peace Map data (see Figure 1), there was a decrease in violent fatalities in the state in February 2018. Reported incidents during this period included criminality, cult violence, and communal/political tensions.

**Violent Criminality:** In January, pirates reportedly attacked a police marine base, killed two marine policemen and injured an Assistant Superintendent of Police (ASP) in Ogbia LGA. The pirates made away with two rifles and a speedboat. Separately, an employee of the Nigerian Content Development Monitoring Board (NCDMB) was reportedly kidnapped by gunmen along the waterways in Brass LGA. In February, two contractors of the Niger Delta Development Commission (NDDC) were reportedly abducted by gunmen in Ogbia LGA. Separately, a vigilante was reportedly killed by operatives of the Nigerian Security and Civil Defense Corps (NSCDC) in Yenagoa LGA.

Criminality was a key driver of Violence Affecting Women and Girls (VAWG) in the state during the period. Crime, particularly piracy, affects the safety and livelihoods of

women and girls.

**Communal/Political Tensions:** In February, one was reportedly killed and several others injured during a clash among youths belonging to two different political parties in Okpoama community, Brass LGA.

**Militancy:** In January, four soldiers and 14 militants were reportedly killed during a military operation against militants in Ekeremor LGA. The operation was initiated in reaction to the killing of a soldier by militants in the area. A militant leader was arrested during the military operation and later died during a gun battle between soldiers and his gang members.

**Cult Violence:** In December, a 30-year old man was reportedly shot dead by cultists in Yenagoa. In February, two youths were reportedly killed during a clash between rival cult groups in Yenagoa LGA.

### Recent Incidents or Issues, March 2018

Incidents reported during the month mainly related to criminality and cult violence.

**Piracy:** Pirates reportedly attacked a community, killed two and injured three others in Ayama community, Ogbia LGA. The pirates abducted a woman and made away with over 10 speedboats. Separately, pirates reportedly attacked a passenger boat and shot a man and a pregnant woman in Koluama community, Southern Ijaw LGA.

**Militancy:** A prominent militant who doubles as a kidnapper was reportedly killed by operatives of the Inspector General of Police's Intelligence Response Team in Yenagoa, the state capital. The suspect was enrolled in the Federal Government Amnesty program, but was secretly involved in militancy and extort money from vessels that

passes through the Nembe creek.

**Criminality:** Hoodlums reportedly robbed some members of the National Youth Service Corps (NYSC) at their lodge in Sagbama LGA. A male corps member had one of his hands severed during the attack. Separately, a 15-year old senior secondary student was reportedly arrested with a locally made pistol in Yenagoa. The suspect was arrested by members of a community vigilante, and handed over to the police.

**Cult Violence:** Suspected cultists attacked a police station, set it on fire, and injured two police officers in Oporoma, Southern Ijaw LGA. The cultists allegedly attacked the police station in protests over the death of their leader in police custody.

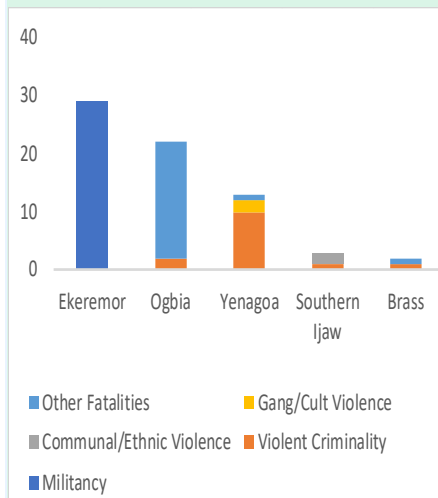

## Prognosis

Reported incidents during the period related mainly to communal and political tensions, cult violence, and criminality including piracy and militancy. Peace Agents should monitor the situation closely and respond appropriately.

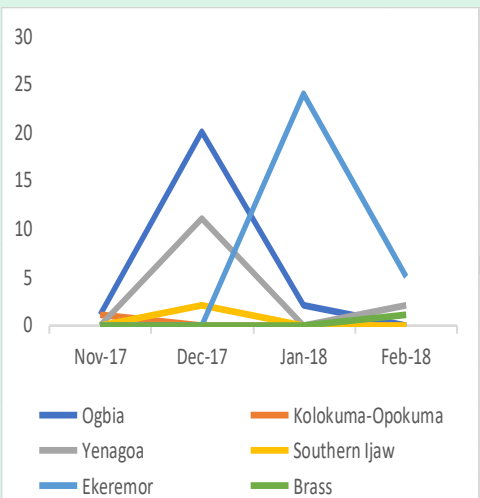

## Questions for Peace Agents

1. Is there anything significant missing from the tracker in terms of hotspots, trends, or incidents?
2. Which conflict issue suggested by, or missing from, this tracker is a priority for you (as P4P Chapter, Prevent Committee, or other stakeholder)?
3. What are some likely trigger events in the next 6 months that could escalate this conflict?
4. Who are the key stakeholders that have influence on the conflict?
5. What will you do to help mitigate the conflict in the short, medium, and long term?
